## Your direct path to a rewarding career and life.

We've balanced career-focused majors and an innovative liberal arts Core curriculum with a groundbreaking program devoted to ensuring your financial wellbeing and career readiness. It's a transformational experience that is unrivaled in higher education.

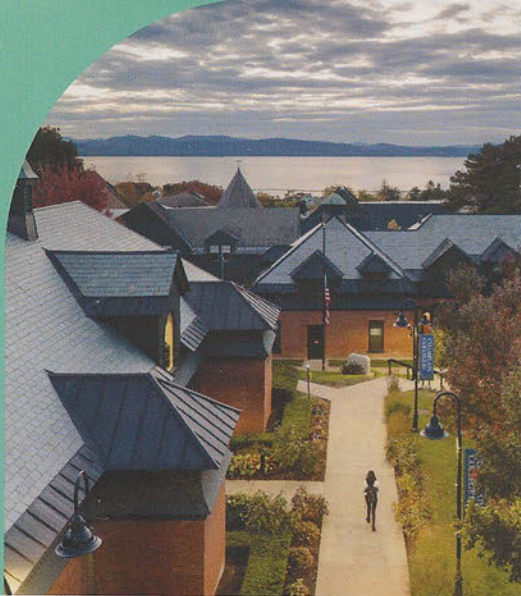

» [champlain.edu/explore](https://champlain.edu/explore)

## Enjoy life with lake and mountain views.

Our stunning campus has award-winning architecture with standard-setting sustainability features—all overlooking magnificent Lake Champlain and the Adirondack Mountains. Even better, all first-year students live in beautifully restored Victorian-era mansions.

## Real-world experience happens everywhere.

With two international campuses in Dublin, Ireland, and Montreal, Canada—and a host of global partners from France to New Zealand—you can study, work, even intern while abroad, and become a global citizen and inclusive leader.

## The most powerful learning model.

Students tell us that our unique Upside-Down Curriculum is the #1 reason they chose Champlain. It allows you to dive in and start learning the specific career-building skills that will give you a tremendous advantage when you enter the job market.

## Celebrating innovation since 1878.

How cool is it to be almost 150 years old and named a "Most Innovative School" by *U.S. News & World Report*? From our Upside-Down Curriculum and career-focused majors to our strong emphasis on experiential learning, we never stop challenging the status quo in higher education.

## Learn from industry experts in every class.

Everyone knows that the best careers are built on a foundation of extraordinary relationships. Here, your lifelong professional network begins with your professors (who are all industry experts in their fields), your classmates, and our engaged alumni.
