

WHAT CAN WE SAY? Students Open House!

Seniors just like you leave with positive vibes, questions answered and the confidence to apply to one of the best schools in the Northeast. But don't just take our word for it! Here's what they had to say:

"I really enjoyed the Open House today. I love the co-op program and all of the professors and students in the Girard School presentation were very friendly and informative. Merrimack is now my #1 choice!"

"I loved the campus and I felt like I could see myself being a student there. It had a great vibe and community feeling to it"

"It was a fun day and solidified my feeling that Merrimack would be a great fit for me and would not only be a great college experience but will also prepare me for the next chapter in my life! I'm excited!"
