## The advantages of a Riv education include:

**Affordability** — We offer the lowest tuition of any private school in New Hampshire, and 100% of our students are awarded financial aid.

**Employment Promise** — Our pledge is that if you don't secure a job within nine months of graduation, we'll provide you with additional support. It's easy for us to be confident in you, since 96% of Riv students are employed within 6-9 months of graduation!

**Academic Excellence** — You'll develop valuable skills for your career in any field, with 60+ undergraduate, graduate, and doctoral programs to choose from, including the #1 nursing program in New Hampshire!

**Investments in You** — Our campus offers state-of-the-art facilities, including a new 36,000-square-foot Science and Innovation Center.
