REASONS TO APPLY EARLY ACTION TO UNH

It's non-binding:

When you apply Early Action, you get an early decision, but you're not locked in. It's a great way to get a head start without any pressure to commit right away.

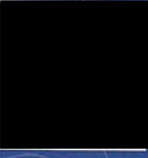

You get priority:

Applying early means you'll be first in line for scholarships, have a better chance at popular majors and receive early consideration for special programs, like the Hamel Honors and Scholars College.

It provides relief:

With a decision coming before your second semester of senior year, you'll have peace of mind and more time to plan, easing the stress as you finish high school.

The Early Action deadline is November 15, but the sooner you apply, the better! Scan here to get started.
