

WPI

## Application Checklist

- \$0 Application Fee
- Test-blind (no SAT or ACT)
- Common or Coalition App and essay
- Letters of recommendation
- Everything that makes you, YOU

## Your Checklist Just Got Shorter

At WPI, we don't want anything to get in the way of you showing us your best self. We want to hear all about your passions and accomplishments. We know those can't be measured through a standardized test, and you shouldn't have to pay a fee to share them with us. That's why our application is test-blind and there's no fee to apply!

## Ready to Apply? You've Got Options.

Just like there's no one way to be a WPI student, there's no one way to apply to WPI! Our three application options give you the chance to craft your application based on your schedule, passions, and interest.

Already know WPI is the place for you? **Apply Early Decision.** With this binding option, you'll be notified of your admission decision ASAP, are guaranteed a merit scholarship of at least \$20,000 per academic year, and have access to a free summer course before joining us on campus.

Is WPI among your top choices? **Applying Early Action** may be the perfect option—you'll be notified earlier of your admissions decision, and have the flexibility to weigh your options and get your questions answered before making your final decision.

If WPI is on your list, but you want more time to perfect your application and learn more about us (and share more of what you've been up to senior year), apply **Regular Decision.**
