Dear Aidan:

Your academic accomplishments have attracted our attention. We believe you have tremendous potential and are just the type of student who would be a great fit for Seton Hall University. Based on your profile, you are a very promising candidate for both admission and scholarship at Seton Hall University and you may be eligible for a University Scholarship which, over four years, could total between **\$62,000 - \$82,000**.

To be automatically considered for this scholarship, all you need to do is apply to Seton Hall University **no later than November 15**, you can apply for admission by submitting the Common Application or the Seton Hall application found at **admissions.shu.edu**. We are also offering you the opportunity to **apply for free** - just enter the **fee waiver code "SFW"** on your Seton Hall application or on the Common Application. Unfortunately, if you have already applied, we are unable to refund your application fee.

Scholarships at Seton Hall are based on a combination of holistic factors including your unweighted grade point average (minimum of a 3.0 GPA is required). Once we receive your completed application and official transcripts, we can determine your admissibility, verify your scholarship eligibility, and determine the exact amount of your scholarship. Seton Hall offers test optional admission and standardized test scores are not required for admission or scholarship consideration for most programs. However, **if your scores fall within our mid-50% (1180-1390 SAT or 26-31 ACT) or higher, we strongly encourage you to submit them**, as they will strengthen your applicant profile.

Seton Hall University is located only 14 miles from New York City in suburban South Orange, New Jersey. We offer small classes, personal mentorship and a 14:1 student-to-faculty ratio. USA Today & Buzzfeed rate Seton Hall as a school with the **highest paid graduates** and we are ranked **#4 in the nation for providing internships**. In fact, we offer over 17,000 internship opportunities! 97% of graduates are employed in their field shortly after graduation and 99% are admitted to graduate school. Our students have gone on to find great success as Fulbright and Rhodes Scholars and pursue graduate study at Harvard, Oxford, Yale, Columbia, and Princeton, and have found employment at Goldman Sachs, NBC, the NY Giants, the United Nations, *The New York Times*, the Secret Service, Lincoln Center, Merck, CNN, Google, JP Morgan Chase, ABC and so many more. With nearly 100 rigorous academic programs and exciting study abroad opportunities, we are rated one of the **best schools for a return on your investment** by Washington Monthly & Bloomberg.

So Aidan, why not add Seton Hall to your list and learn more by visiting us? "I never dreamed I would get to hear Michelle Obama speak, intern for a U.S. senator, spend a semester abroad in Argentina and a summer in Italy as a teaching assistant, participate in a service project in El Salvador and graduate with a Fulbright scholarship. I owe it to the amazing opportunities and support I've been given at Seton Hall."
