Dear Aidan,

I am excited about your interest in Trine University and look forward to your questions, sharing important information with you, and helping you discover why Trine may be a great choice for you. I can hardly wait to show you our incredible campus – you've never seen another one like it!

Here are just some of the highlights:

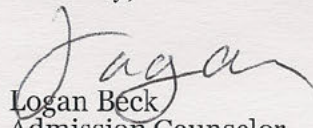

- More than **99% of Trine grads** over the last nine years were employed or enrolled in grad school within **six months** of graduation.
- Choose from **over 40 majors** including teacher education, engineering, criminal justice, business and health sciences.
- **Multi-million-dollar studio style residences** available to first year students!
- With **37 sports teams** and over **60 clubs and organizations** there are plenty of opportunities to get involved
- **16:1** student to faculty ratio which means personal attention and engaging learning opportunities

Our renowned faculty and staff are dedicated to creating an academic climate that facilitates your scholastic and career success. We do that by ensuring **small class sizes**, and providing personal attention and academic support services, which include **free tutoring** and writing workshops.

Seeing is believing! Please accept my invitation to visit Trine University. I believe it will be the best campus visit you'll ever make. Visit **trine.edu/visit** to learn more about Trine and to schedule your visit soon.

If you have questions about Trine before we meet, please contact me at 800-347-4878.

Sincerely,

Logan Beck
